COBB STARTS PLAYING TODAY

WILL BE IN HIS CUSTOMARY PO-
SITION THIS AFTERNOON IN
DETROIT-CLEVELAND GAME.

BY ASSOCIATED PRESS.

Chicago, April 26.—Tyrus Cobb is to
play with the Detroit team of the
American league tomorrow according
to information given out at the office
of B. E. Johnson, president of the
American league here today. It was
said that Cobb had been reinstated by
Johnson, pending the outcome of his
application for reinstatement, which
the national commission is to consider
at a meeting in Chicago next week.

Johnson left his office "for the day"
without making any definite announce-
ment in the case.

SPORT SNAP SHOTS

By Dan McCarty.

Jim Thorpe, Olympic champion,
hired by Manager Muggsy McGraw as a
world-beating ball player, looks a
great deal like a night-blooming
cereal in the noon-day sun. Muggsy
emphatically denies that he is going to
let the husky Indian go, claiming that
he has the makings of a great ball-
player. Baseball critics unite in say-
ing Jim is a big dub, in baseball abili-
ty, and that the only thing he can do
is wallop the ball. In spite of this
kindly notice, Thorpe celebrated his
appearance with Giant Yannisians in
Chattanooga a few days ago by strik-
ing out vigorously four times. The lot
of an Olympic champion certainly is
hard.

There is some class to the Drohan
family as ballplayers. Tom, who has
been made a member of the staff of
the Washington Nationals, with his
brother, Jim, pitched for the Keweenaw
team of the Illinois-Missouri league
last season. The team won 74 and lost
51 games. Tom Drohan won 24 and
lost 6 and Jim won 20 and lost 7, the
two having an average of .772. The
rest of the Keweenaw pitchers averaged
.412. The Drohans evidently will bear
watching.

Chief Meyers, catcher for the New
York Giants, has perfected a snap
throw to first base, in imitation of
the squat throw, which has made
Jimmy Archer of the Chicago Cubs
famous. Meyers expects to keep op-
posing base-runners hugging the
initial sack this season.

New Orleans Cotton.

New Orleans, La., April 26.—Cotton fu-
tures opened steady at an advance of 3
to 8 points on good cables and con-
siderable week-end trading up on the
short side. First prices about the high-
est in the early trading. The late month
stood 4 to 5 up after the call but May
did not increase its rise of 8 points.
Selling became heavy at this small ad-
vance and offerings were more than the
ring could absorb, especially as there was
little fresh buying for long account in
evidence. The market fell quickly stand-
ing at the end of the first half hour
of business 2 to 3 points under yester-
day's close on the old crop months and
unchanged, compared with that level, on
the new.

Around the middle of the morning the
market was active for a Saturday and
bears were aggressive. Their selling was
heavy enough to put the list 2 to 3
points under yesterday's final figures but
they found it impossible to bring about
a wider decline because of general por-
fit taking by their followers. Weather
reports and the forecast for over Sun-
day were considered most favorable and
strong shorts were inclined to increase

New York Stocks.

New York, April 26.—The tone of the
stock market was improved at the open-
ing. Most stocks made small gains.
Several stocks which have been conspicu-
ously weak, recently, make new low
records. Among them was Northwestern
Chicago and Ohio and Rumely, the
latter falling a point to 22.
Acute weakness developed under a
flood of selling orders which depressed
many of the representative stocks from
1 to 2 points. Reading, Lehigh Valley,
Union Pacific, St. Paul, Great Northern
preferred, Smolting and Chesapeake and
Ohio were subjected to heavy pressure.
High priced specialties such as American
Tobacco and Myers Brothers & Ros-
sack and Wells Fargo Express, fell 5 to
8 points.

Chicago Grain.

Chicago, April 26.—Lower Liverpool
cables as well as favorable domestic
crop reports weakened wheat. Selling
by leading houses caused a drop of 3-8
to 1-2 in the first hour. May started
1-8 to 1-4 off at 92 1-2 to 5-8 and drop-
ped to 52 1-8. July began unchanged to
1-4 lower at 92 1-4 to 1-2 and declined to
92. Increased country offerings lowered
corn. July opened unchanged to 1-8
down at 85 1-2 to 5-8 and went off to
55 1-4.
Oats dropped. July first prices were
54 3-8 to 1-4, a shade to 1-8-1-4 lower,
and a drop of 1-8 to 1-4 followed.
Provisions easy on light demand. Op-
ening figures for July products were:

Pork 19.70 lard 10.57 1-2 and ribs 11.02 1-2
The range was a shade to 10c lower.
Wheat declined on increased selling
but there were slight rallies. Closed
firm with May at 92 1-2 a net loss of
3-8-4, and July 5-8 off at 91 7-8.
Weakness in southwest markets de-
pressed corn but there was a slight reac-
tion. Closed steady with July at 55 1-4
a net loss of 1-4.
Wheat No. 2 red 1.06 1-2-1.08 1-2; No.
2 hard 95 1-4-95; No. 1 northern 93 1-3

Corn No. 2 55-3-4; No. 2 white 57 1-2
58; No. 2 yellow 56 1-4-57 1-2.
Barley 48-50. Timothy 2.55-2.55.

New York Cotton.

New York, April 26.—Cotton opened
steady at an advance of 1 to 5 points on
relatively steady Liverpool cables and
covering for over the week-end. Reports
that Liverpool houses would stop May
notices on Monday and ship considera-
ble of the cotton to Liverpool or the
continent seemed to create a considera-
ble demand for July from reactionists.
But weather reports were considered fa-
vorable, the south was quite an active
seller here and there was some further
scattering liquidation. The market con-
sequently showed more or less irregular
during the early trading and soon eased
off to a shade under last night's closing.
Cotton rallied in the late trading on
covering and closed steady, net un-
changed to 6 points higher.

Bank Statement.

New York, April 26.—The statement
of the actual condition of clearing house
banks and trust companies for the week
shows that they hold \$15,145,700 reserve
in excess of legal requirements. This is
a decrease of \$3,940,150 from last week.
Manager Fred Clarke thinks he
would like to be pinch hitter for the
Pittsburgh Pirates this season. Fred
always could strike out gracefully.
